

DAFFODILS IN BLOOM!

This past November, over 200 daffodils were gifted to our church from the Port Washington Garden Club. Jane Spalding, Jeanne Mantsch, and Beckie Perez got to work, albeit on a 70 degree sunny day, planting the bulbs throughout Creekside Commons, around the periphery of the church, and surrounding the First Congregational Church sign.

The daffodils are in full bloom and the pops of vibrant yellow are a joyful sight! Daffodils are strong and resilient flowers that will pop up year after year and multiply! You might be interested to know that daffodils are a sign of spring and symbolize new beginnings and rebirth.
