

BE ON LOOKOUT FOR MARKER DEALS

Calling all bargain hunters! Our Church School program is in need of *NEW* markers. All our markers are either several years old or were gently used donations from Port Pre-School and our kiddos have thoroughly enjoyed them. With school supply shopping season upon us, we are hoping members and friends can help us start the program year by filling our marker buckets with brand-new sets. Thick or thin, washable markers in all colors would be appreciated! *P.S.* - We wouldn't mind colored pencils too! Thank you!

We are thrilled about Bob's return and appreciative of Jennifer's willingness to help out! Stay tuned to who our guest leader will be on July 14.

The next time you are at church, we invite you to check out the board outside of Fellowship Hall. Take a moment to write down "what comes to mind when you think of church" and add your post-it to the collection!
